

# **Monoclonal Antibodies**

Monoclonal antibody \_\_\_\_\_  
(most frequently used name and name of antigen)

## **ANTIGEN USED FOR IMMUNIZATION**

(describe origin, source, form, etc.)

## **METHOD OF IMMUNIZATION**

## **PARENTAL CELL LINE USED FOR FUSION**

## **SELECTION AND CLONING PROCEDURE**

## **HEAVY AND LIGHT CHAINS OF IMMUNOGLOBULIN**

## **SPECIFICITY**

(Describe method used and fine binding specificity in as much detail as possible)

## **SPECIFIC ANTIGEN IDENTIFIED**

## **AVAILABILITY** (please indicate by checkmark)

	Yes	No
Tissue culture supernatant	[ ]	[ ]
Ascitic fluid	[ ]	[ ]
Hybridoma cells	[ ]	[ ]
